

Spring Meeting

May 23rd 2017

Meeting Opened at 6:00PM

Attendees

First Gate: Dennis Kettler

Second Gate: Catrina Fish and Paloma Hill

Third Gate: John O'Claire and Cyrus Burch

Item 1: Grants

Swarm applied for and was accepted, to participate in a grant from Mendocino Co. involving other groups and road associations to improve road run off problems, erosion, ditching, aging culverts and other issues.

This requires a matching of \$9,000.00 from SWARM but the counties share will be much higher. By ourselves 9G would get 3 culverts. We have dozens of failed or plugged culverts now, and other problems

Item2: Liens

There are a number of properties that are 3 years or more behind in road dues 3rd gate has 14 non paying owners 1st and 2nd a couple. A first notice of 60 days will be sent out asking for payment schedule before Lien is placed.

Item3: Billing

Billing will be sent out in January and owners and given 2Mos. To send in. Then a \$50.00 fee added for second billing instead of calculating an interest.

Hopefully early payment will make it easier to do winter and spring repairs

Item 4: Annual meeting

The Annual meeting and potluck, has been set for August 19th. A letter will be sent out with more specifics about time, place, and more info about the Grant and other road issues
