For debt over \$5,000.00 a reduction of %50 of accrued interest can be made

For debt over \$2,000.00 a reduction %25 can be made

They can also set up a negotiated payment plan.

TOPIC 2 The Eel River Water Shed Sediment Reduction GRANT

AS explained by Joe Scribbins there is an initial Survey Grant involving a Hydrologist-Geologist- Engineer, who issues guide lines, slope, crow, run off, ditches, culverts ect. Recommendations.

Our portion of the large expense approximately, \$9,000.00.

This opens us up to Phase 2 the actual repairs, Grant up to \$200,000.00. We pay about %25.

Just culverts alone we have dozens of 45+ year old failed or failing

We already have some saved up as we did not do the spring grading. There will be fall grading!

TOPIC 3 Fire issues.

Paloma talked at length about Sherwood Firewise council, working with Keith Rutledge, phone trees, better signage on the roads and various alert and warning systems and possible Grants from Cal Fire
